

QUESTIONS & ANSWERS
RFP # 15-011-17
OBLIQUE & ORTHOGRAPHIC AERIAL IMAGERY

What specific Tennessee licenses are required to be held?

Is the bond required at the time of contract signing?

The performance bond is only required from the successful contractor and please contact the Tennessee Board of License Contractors to determine what licenses are required.

Can the county provide a shape file or confirm that the total area to be covered (with buffer) is 873 miles

Please see [Shelby County Shape Files](#) on our web site.
